

Walkthrough:

1. Get the eye of horus

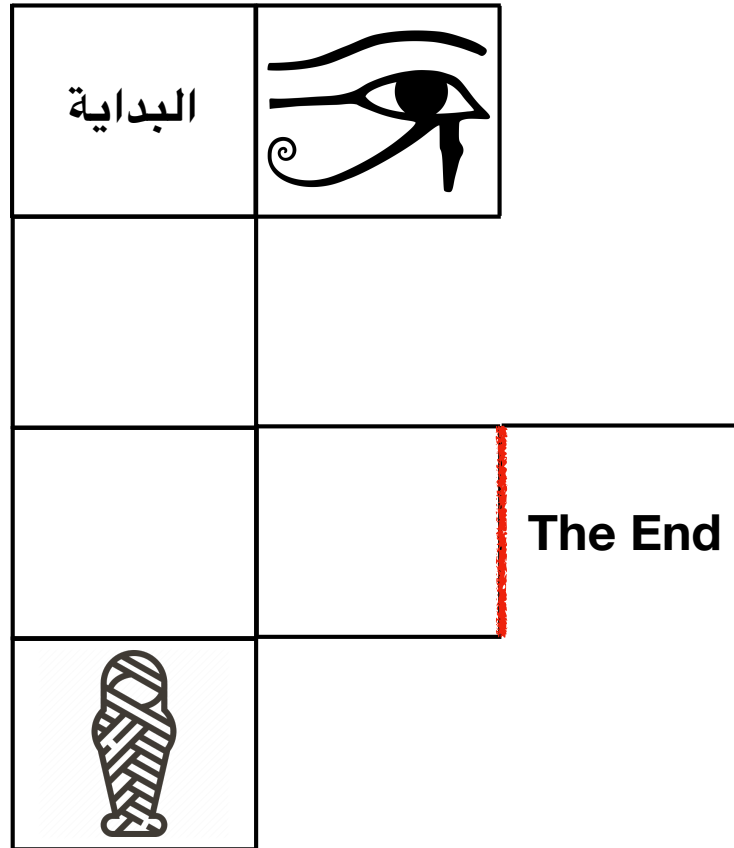

If you want to beat the Mummy for sure use the item and command “xyzy”, the command “xyzy” is optional but item must be used before finishing.

2. Kill the mummy

It is possible to lose to the Mummy without using the command “xyzy” after the items been used. The fake wall will open after.

3. Go to the last room

If the item has been used the game is complete.

Mummy of Imhotep,

Mummy must be killed before being able to finish.

Fake wall,

The wall will open when the mummy is killed.

The Eye of Horus,

The Eye of Horus must be used before being able to finish, if items is used and command “xyzy” is called, the player will become more powerful.
